The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

The defendant was driving a black 2024 Chevy SUV bearing a Florida license plate of 62BKAX. She was traveling through the parking lot at 3303 W Swann Ave after alerting a nearby police officer that she was involved in a minor crash. There was no witness that placed the defendant as the driver at the time of the crash. However, a Tampa police officer observed indicators of impairment and observed the defendant driving (moments after the crash). Upon contacting the defendant she displayed multiple indicators of impairment, to include watery and bloodshot eyes, droopy eyelids, slurred speech, unsteady stance, and an odor of an alcoholic beverage. The defendant performed part of HGN then refused the remaining SFSEs. The defendant was arrested for DUI and later refused to submit to a breath test despite acknowledgment of the implied consent warning. The defendant's two-year old child was in the vehicle with her.

The defendant was identified by her FL DL.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
